South Cle Elum, WA 98943

Vintner/Owner

Thank you for considering representing your brand(s) at the Cascade Rail Foundation's (CRF) Rails To Ales Brewfest in South Cle Elum, WA on July 10th, 2010 from 4- 10PM. This Brewfest is a major fundraiser for our organization each year. We have worked closely with Washington State Parks and Recreation since 1999 to develop and improve the portion of Iron Horse State Park at the South Cle Elum Railyard. CRF is a registered non-profit in the state of Washington. To find out more about our organization, visit www.milwelectric.org

As one of two select wineries for this event, we will ask that you send 1-2 representatives knowledgeable about your products and processes. We provide a fun and festive atmosphere, and we also give you an opportunity to share ideas and information about your products with guests and increase your visibility. Each winery will be provided with a six foot table under a shared tent and a volunteer to assist with servings by taking scrip tokens and handing the glass to the pourer. If you have a branded tent/ awning of your own, let us know and we'll work to make room for it

Our insurance provider requires proof of liability insurance, **with Cascade Rail Foundation named as an additional insured**, from each participating brewery, please provide us with a copy to complete our files.

Set-up must be completed and vehicles moved off site by 3pm the day of the event. You may bring any promotional merchandise you wish to sell or distribute free to guests from your table. You will also be provided with ten (10) food scrip per person, limit of two persons per winery.

Once again there will be live music playing during the event. There will be 4-6 food vendors this year and they will be located more prominently. Washington State Parks and recreation will be providing the breathalyzer tent. A big hit each year!

When we have received this completed form and your insurance information you will be listed on our website at www.RailsToAlesBrewfest.com. We encourage you to link us on your site as well! (Banner ads available – have your webmaster email terry@tribwebservices.com) Additionally, you will be on our event tee shirts and listed on our promotional poster, scheduled for release early March, 2010. Your Vendor's Packet will include a supply of these posters to display at your place of business and any additional locales you would like. If you need more for your distribution points, please let us know.

**PLEASE COMPLETE & SEND THE WINERY AGREEMENT ON NEXT PAGE BY
MARCH 1st, 2010. THANK YOU.**
